# ITINERARY

## DAY 1 | 6 November: Welcome to Japan

We begin our Autumn photography tour in the north of Japan, rendezvousing in the city of Sapporo. An English-speaking guide will greet you at the airport and accompany you to the Air Terminal Hotel. To celebrate the beginning of our tour, you're invited to join our welcome dinner where you'll meet your fellow photographers.

## DAY 2 | 7 November: The Blue Pond of Biei and Furano

Following a delicious breakfast, we journey to the quintessential town of Biei, which boasts some of the prettiest countryside in Hokkaido. Set against the dramatic mountains for the Daisetsuzan National Park, Biei will immediately inspire you with picturesque landscapes of gently rolling hills and vast fields.

A highlight of the day will be photographing Aoiike, the Blue Pond. Aptly named after its hypnotising turquoise blue water. The Blue Pond is a striking subject matter in Autumn, with the contrasting colours of the surrounding Japanese larch trees complimented by the first signs of snow visible at the base of Mount Tokachi.

After the Blue Pond, we photograph the stunning Furano Valley at sunset; riding the Furano cable car to afford you the best view of the Autumn landscape.

In the evening we visit the romantic Ningle Terrace; a boutique village of traditional Japanese cottages filled with unique hand-crafted gifts and art. After meandering through Ningle Terrace, you'll enjoy an evening at the Furano Prince Hotel.

## DAY 3 | 8 November: The Noboribetsu Jidaimura Village and Hell Valley

Imagine a day of Samurai villages and "hell on earth". This is what awaits you on day three of our tour.

Our day begins with a cultural journey to Noboribetsu Jidaimura Village, also known as the Ninja Village. The Noboribetsu Jidaimura Village will immerse you in the historical customs and cultures of Japan's Edo-Jidai (Edo period). Famous for Samurai and Geisha.

After your step back in time, you'll step forward into Noboribetsu's Hell Valley. A spectacular valley of sulphurous streams, steaming ponds, dramatic rock faces and forests painted vibrant red, orange and brown by the season.

Savouring the region, you'll enjoy an evening at the Noboribetsu Grand Hotel. Celebrated as one of Japan's leading hot spring resorts.

Jozankei Onsen

**DAY 4 | 9 November: Jozankei Onsen**

Resting deep within a rugged gorge and surrounded by towering cliffs is the onsen town of Jozankei, the next stop on our unique tour of Japan.

Today you'll explore and photograph the beautiful Jozankei Onsen district, a region that truly shines in the Autumn months. Not only is Jozankei an incredible site to behold in Autumn, but the district also offers a fantastic variety of vantage points for you. Our day in Jozankei will certainly inspire your creative spirit and leave with you breathtaking images.

This evening we return to Sapporo to spend the night at the Keio Plaza Hotel Sapporo.

**DAY 5 | 10 November: The Colours of Sapporo**

Today you'll have the privilege of photographing Sapporo's most picturesque Autumn locations, beginning with the Hokkaido University which is famous for its vibrant yellow Ginkgo tree-lined streets. We then visit the Hiraoka Jugei Center, where the colour pallet changes from yellow to red thanks to Hiraoka's signature maple trees.

In the afternoon, we travel via ropeway and cable car to Mount Moiwa to photograph the breathtaking forest and view across Sapporo at sunset.

Enjoying a final night at the Keio Plaza Hotel Sapporo.

**DAY 6 | 11 November: Tokyo: Asakusa District and Rikugien Garden**

After breakfast, we fly to Tokyo to photograph Japan's dazzling capital. What better place to start than Tokyo's Asakusa district, where you'll be immersed in a nostalgic Shitamachi atmosphere and visit the famous Senso-ji Temple. Senso-ji is Tokyo's oldest and most colourful Buddhist temple. The temple enshrines a golden image of Kannon (the Buddhist goddess of mercy), which, according to legend, was miraculously pulled out of the nearby Sumida-gawa by two fishermen in AD 628.

Late afternoon we visit the Rikugien Garden. Rikugien is considered Tokyo's most beautiful Japanese landscape garden and is particularly spectacular in Autumn.

This evening you'll stay at the Keio Plaza Hotel. This luxury hotel is ideally located to enjoy the delights of Tokyo and offers spectacular views across the city.

### **DAY 7 | 12 November: Tokyo: Meiji Shrine, Ginkgo Avenue, Shibuya Crossing & Memory Lane**

Our photographic exploration of Tokyo continues. Visiting the Meiji Shrine, an iconic monument built in dedication of Emperor Meiji and the Empress Shoken in the 1920s, and then Tokyo's Ginkgo Avenue. A golden Ginkgo tree-lined street celebrated as one of Tokyo's most beautiful locations in Autumn.

Now, you can't travel to Tokyo without witnessing the Shibuya Crossing. So this afternoon we visit this unmistakable intersection (rumoured to be the busiest intersection in the world) before spending the evening strolling down "Memory Lane".

Omoide-yokoch, or Memory Lane, started as a postwar black market and today retains much of the region's original charm. One of Tokyo's most recognisable sights, Memory Lane's narrow streets is filled with restaurants, bars, market stalls and shops.

Promising a fun-filled night to remember.

### **DAY 8 | 13 November: Mount Takao**

After breakfast, we journey to Mount Takao. Mount Takao is famous for its Autumn beauty and offers you an abundance of breathtaking scenery and enchanting temples.

During November the region celebrates the Mount Takao Autumn Leaves Festival, and you'll have the opportunity to savour the festivities before riding the cable car to Mount Takao's observation deck to photograph the beautiful landscape at sunset.

In the evening, we'll enjoy the comforts of the Fuji Marriott Lake Yamanaka.

### **DAY 9 | 14 November: Mount Fuji**

Of all Japan's iconic images, Mount Fuji has to be one of the most captivating. Today you'll have the opportunity to photograph the majestic Mt Fuji at both sunrise and sunset. We wake early to establish our vantage point on the edge of Lake Kawaguchi, to capture Mt Fuji and the peaceful lake at dawn.

In the afternoon we visit the magnificent Chureito Pagoda. The famous five-story pagoda rests on a picturesque mountainside overlooking Mount Fuji and will present you with a spectacular sunset landscape.

During the day, we'll enjoy the delights of the Lake Kawaguchi Autumn Leaves Festival before we spend another night at the Fuji Marriott Lake Yamanaka.

To complete your Kanazawa experience, we'll visit the historic Higashi Chaya district before checking into the ANA Crowne Plaza Kanazawa.

**DAY 11 | 16 November: Kyoto: Kiyomizu Temple and Kiyomizu Temple**

Following a hearty breakfast, we travel by bullet train to Kyoto. Japan may be famous for cherry blossoms, but the fall foliage in Kyoto is considered even more beautiful. Upon our arrival into Kyoto, we visit the Kiyomizu Temple, an impressive temple built on the site of the Otowa Waterfall in the wooded hills east of Kyoto.

We then visit the Higashiyama district where we'll enjoy a traditional tea ceremony with Maiko before strolling around the Geisha district of Gion. The Gion districts boast beautifully preserved architecture, traditional customs and endless entertainment.

**DAY 12 | 17 November: Kyoto: Inari Shrine, Kinkakuji Temple and Arashiyama Bamboo Forest**

Today promises to be filled with incredible images as we visit three of Kyoto's most coveted photography locations. Beginning with the visually remarkable Fushimi Inari Shrine. The Fushimi Inari Shrine is famous for its thousands of bright orange vermilion torii gates that inspire potent images.

One of Ignacio's personal tour highlights is the Kinkaku-ji Temple, or the Golden Pavilion. Where you'll have the chance to personally photograph this stunning zen temple and see the top two floors which are covered entirely in gold leaf.

Finally, we visit the Arashiyama Bamboo Forest. Standing amongst the soaring stalks of bamboo, you'll feel as if you've stepped into another world and your photographs will be even more ethereal.

To celebrate the end to a remarkable day and the second last night of our extraordinary photography tour, we'll indulge in a fabulous dinner with a live Maiko performance.

### DAY 13 | 18 November: Osaka: Tofukuji temple, Osaka castle and Katsuoji Temple

After breakfast, we journey to the city of Osaka. While Osaka may not appear pretty in the conventional sense at first, the savvy photographer knows Osaka holds many hidden treasures and packs a colourful punch.

The first treasure we'll visit is the Tofukuji temple, which is particularly spectacular at this time of year surrounded by the colours of Autumn. We then visit Osaka Castle, a beautiful testament to traditional Japanese architecture, from the subtle balance of colour to the delicate patterns and shapes that adorn each level.

To complete the perfect day, we visit the magnificent Katsuo-ji Temple before spending the night in the Namba Oriental Hotel.

### DAY 14 | 19 November: A Fond Farewell
